

C.V

Dr. Rouaa Kassim yahya Al-Ojar

<b>personal information</b>	
<b>Official Email:</b> rouaa.yahya@uoninevah.edu.iq	
<b>lecturer</b>	<b>Academic title:</b>
31-7-2019	<b>received date</b>
College of Science / Department of Chemistry	<b>College and Department:</b>
Nineveh University	<b>Current University:</b>
College of Pharmacy / Department of Analytical Chemistry	<b>College and Department:</b>
<b>Industrial Chemistry</b>	<b>PhD</b>
3-7-2019	<b>date obtained</b>
Mosul	<b>University</b>
Iraq	<b>The donor country</b>
Industrial Chemistry	<b>Master</b>
11-3-2010	<b>date</b>

<b>Research interests</b>
Chemistry

<b>Scientific data</b>	
<b>Subjects taught for elementary studies:</b> Analytical chemistry, organic chemistry, general practical chemistry, industrial chemistry, oil pollution, properties of oil and gas, production of natural gas	
<b>Number of subjects I study in postgraduate studies</b> nothing	
nothing	<b>number of master's students that I supervise</b> 1435
nothing	<b>number of PhD students that I supervise</b>

	obtained
Mosul	University
Iraq	The donor country
Chemistry Science	BSc
2003-2004	date obtained
Mosul	University
Iraq	The donor country

Research and literature	
1	Number of papers published in local journals and conferences:
1	Number of papers published in regional and international journals:
	Research and books written in the specialty:
	3

Research fellowships	
	nothing

2014
