

# Curriculum Vitae

Mr. maysara Abduljabbar Qasim

Mobile: + (964)7701742431

## Personal information

- + **Full Name** :Maysara AbdulJabbar Qasim
- + **Nationality** : Iraqi
- + **Place &Date of Birth** : Mosul - 1980
- + **Marital Status** :Married
- + **Gender** :Male

## Qualification:

- + **B.sc.in Electrical Engineering (Power & Machine)**  
College of Engineering / University of Mosul –Iraq / 2005  
**Rank:** Second  
**Grade:** Good
- + **M.Sc. of electrical engineering (Power & Machine)**  
College of Engineering / University of Mosul –Iraq / 2009  
**Specialization:** System of control and Measurements.  
**Grade:** Very Good

**Language:** Fluent in Arabic & English.

## (Experience):

- + **Design and construction of control laboratories, electrical machines and power electronics in the Faculty of Engineering / University of Nineveh**
- + **Programmer control and control devices( PLC) for industrial electricity.**
- + **Engineer supervision of industrial projects in the private sector in the province of Nineveh**

✚ Lecturer in University of Mosul / College of electronics engineering / electronic department from 2009 to 2014.

**(Training)**

<b>Name Company</b>	<b>Certification</b>	<b>Specialization</b>	<b>Date</b>
Technical Institute/Mosul	Microcontroller	Control system	2009
Technical Institute/Mosul	PLC 7-200	Industrial application	2013
The national center for management development & information technology	Project Management	Skills of planning	2013

**Publication:**

- M.A.Qasim , and H.TH .Thabit " **Simulation of an automated food production process using PLC techniques** " / Journal of IEEE
- M.A.Qasim , and H.TH .Thabit " **Measurement of a DC Series Motor Torque based on PLC Techniques**" kufa Journal of engineering.

**(Other Information):**

- Certification of appreciation from university of Mosul / College of electronics engineering seminar about " **The role of electronics in the agriculture life** ".
- Expert in programs of matlab and office(word , excel , power point..)
