

## Faculty Member Academic Biography

### Personal data

Name	Maha akram Abdullah ali		
Current academic rank	Assistant lecture		
Workplace	Nineveh University	Academic department	electronic
General specialization	Electronics and Communications	Specialization	electronic
E-mail	maha.akram@uoninevah.edu.iq		

### Academic qualifications

Degree	University Name	Country Studied at	Major	Graduation Date
Assistant lecture	University of Mosul	Iraq	Electricity	2015

### Academic rank:

Academic rank	Date of Obtaining the rank	Academic rank granting Institution
Assistant lecture	2023	Wasit university

### Practical experiences:

Time period		Employer	Job Title
from	to		
2017	2019	Kut University College	Assistant lecture
2015	2025	Wasit university	
2025	now	Nineveh University	

**Scientific production (published/accepted for publication):**

Research Title	Place of publication	Country of publication	Number	Vol	date of publication
Impact of New Dams Built on Upstream Of Lesser Zab River on Dokan Dam Using HEC-Ressim Model	Wasit university	Iraq	1	13	January-April 2025

**Conferences, scientific seminars and workshops in which I participated:**

Research Title	Name of conference/seminar/workshop	Venue of the conference/seminar/workshop	Date
Workshop	National Classification of Private Universities and Colleges Al-Kut University College	Kut University College	2019/5/18
Impact of Recent Upstream Dams constructed on the iraqi Docan Dam operation in leaser Zab	ICEMS-2025 Conference-AIP Conference Proceeding (ISSN:0094-243S,1551-7616)	Technical Institute in Samawah Governorate and Al-Furat Al-Awsat University of Technology	16-17 April 2025

**Courses(s) I have taught:**

Course name (subject)	Academic year	University/ Institution
Electronics Lab/First stage	1993-1994	Nineveh Technical Institute
Electronics Workshop/First stage	1993-1994	Electronics Workshop
Principles of Electrical Engineering/First stage	2017-2020	University of Wasit/Department of Mechanics
Theoretical Electronics + Electronics Lab/Second stage	2017-2019	Kut University College
Power Electronics Theoretical + Lab/Third	2017-2019	Stage Kut University College
Engineering Analysis	2018-2016	University of Wasit/Department of Electrical Engineering
Digital Technologies/First Stage	2018-2020	University of Wasit/Department of Electrical Engineering
Advanced power/Fourth Stage	2019-2024	University of Wasit/Department of Electrical Engineering
Microprocessors Laboratory/third stage	2025-present	University of Nineveh/Department of Electronics
