### **About me**

Mohammed from Mosul. Disciplined person. Respect my work and always take it seriously. I can work in any circumstances and under any pressure with the lowest possible equipment. I can be useful for you and the community, as I always dreamed of having the opportunity to get a job in which I can help people. I believe that God is the world's creator, and all these religious matters belong to Him only. We, as humans, should not interfere with this divine issue.
