

Personal Information

Full Name	Ali Abbas Abdulkarim Mohammed		
Place of Birth	Mosul	Date of Brith	04.03.1978
Nationality	Iraq	Passport. No.	*****
Civil Status	Married	Tel, Viber whatsapp	0774 085 3338
E-mail	ali.abdulkarim@uoninevah.edu.iq		
General Specialization		Medical Microbiology & Immunology	
Subspeciality		Medical Microbiology & Immunology	
Job: Head of Department of Microbiology/ Faculty of Medicine/ Ninevah University			

Educational Level

Doctorat/ Ph.D. Degree	Istanbul University Cerrahpasa School of Medicine. Medical Microbiology Department	2015
Master Degree	Istanbul University Institute of Health Sciences. Microbiology branch	2008
Bachelor's Degree	Mosul University Faculty of Veterinary Medicine.	2004
High School	AL-Mustakbal High School – Mosul	1999

Thesis

Ph.D. Thesis	Development an Immuno Real-Time PCR Assay for the Quantitative Determination of <i>Clostridium botulinum</i> Toxin by Using Poultry Immunoglobulins (IgY).
---------------------	--

Awards

I have one awards with my team in the 3rd National Congress of Clinical Microbiology. Antalya, Turkey 2015.
Development a new molecular method for rapid diagnosis of Leishmaniasis in the field

Work Experience and Research

	Task	Period
1	Medical Bacteriology Laboratory and Antimicrobial Agents and Susceptibility Testing Laboratory	9 months
2	Emergency Microbiology and Hemoculture Laboratory	9 months
3	Parasitology Laboratory	3 months
4	Serological Test Laboratory (ELISA)	6 months
5	Mycology Laboratory	3 months
6	Mycobacterium Tuberculosis Laboratory	3 months
7	Molecular Microbiology Laboratory	2 years
8	Maggot therapy /maggot debridement therapy (MDT), larval therapy	3 months

Foreign Language

Languages	Read Understanding	Speaking	writing	National Test	Test Ratings
English	Good	Good	Good	IELTS	5.5
Turkish	Very Good	Very Good	Very Good	Turkish	81

Computer Use

Program	Using Skills
Word, Excel, PowerPoint, Office Application	Very Good
